

## Teddy Bear's Garden Picnic

### You need

- A large blanket or picnic rug
- A selection of your favourite picnic food
- Something to drink
- Your favourite teddies or toys

### What to do

1. Lay the blanket or rug out in a sunny patch of the garden.
2. Set your teddies or toys around the outside.
3. Ask your grown up to help you put your favourite picnic food on to garden plates.
4. If it's sunny, remember your sun hat and cream! (If its too cold to sit outside, you could always have your picnic inside.)

**Don't forget to wash your hands before you eat!**
