

Build a Recycled Cardboard Sandcastle

Instructions:

Ask a grown up to help you find some old boxes and tubes from the recycling.
Stick them together to make your own castle!
Maybe you'd like to paint it or add your favourite Lego figures!
Have fun!

Sandcastles

Be creative, make turrets, moats, bridges.
Decorate it with treasures you can find in the garden; leaves, pebbles, petals and feathers.

Sandcastles

Why not make a whole village or a rainbow city!

Bigger castles?

Have a go at making a really **big** castle.

Do you have any really big boxes?

Can you fit inside?

Or maybe just for your pet!
