

Paint A Water Picture

Fun In The Sun With Water!

Ask an adult to help you find:

- A paint brush
- A bowl or bucket
- Some water, and
- A patio or wall.

Use the paint brush to paint your artwork on the patio!

To make coloured water – add some food dye!

If you don't have a paint brush you could use a sponge or a roller, or maybe your hands!

After playing outside remember to wash your hands!

Have fun!
